

20/20/20: Are you new to Group Exercise or just getting back into it? Not sure you can handle an entire hour? This class is for you! Geared for the novice to advanced, sweat through 20 minutes of cardio, 20 minutes of strength and 20 minutes of functional core & stretching.

BODYCOMBAT™: This high-energy martial-arts inspired workout is totally non-contact and there are no complex moves to master. A LES MILLS™ instructor will challenge you to up the intensity and motivate you to make the most of every round. You'll release stress, have a blast and feel like a champ.

BODYFLOW™: is the Yoga, Tai Chi, Pilates workout that builds flexibility and strength and leaves you feeling centered and calm. Controlled breathing, concentration and a carefully structured series of stretches, moves and poses to music create a holistic workout that brings the body into a state of harmony and balance.

BODYPUMP™: is THE ORIGINAL BARBELL CLASS™, the ideal workout for anyone looking to get lean, toned and fit – fast. Using light to moderate weights with lots of repetition, BODYPUMP gives you a total body workout. Instructors will coach you through the scientifically-backed moves and techniques pumping out encouragement, motivation and great music – helping you achieve much more than on your own!

Cardio Bootcamp: Intense full body workout that works all muscles doing drills such as pushups, jumping jacks, and abs to energetic cardio beats! Don't shy away if you're a beginner...anything can be modified!

Cardio Yoga: Prepare yourself for something new: strong, flowing bodyweight movement combined with life-changing philosophy! Your barefoot cardiovascular workout experience will be an emotional voyage, guiding you to break through your negative patterns while reaching for your highest potential!

Core Flow Yoga: is designed to promote spinal support through Yoga. Class will draw focus on strengthening the abdomen, entire back, and into the hips and glutes. Flows and postures will also be intended to improve balance and stability. Appropriate for all levels.

The Fit Series: Whether you're looking to improve or transition into a regular workout routine or to maintain your current level of fitness. **Fit Cardio (FC)** workouts will assist you in regaining or maintaining your cardiovascular endurance...you pick the intensity! **Fit Strength (FS)** consists of functional strength training for members new to strength training as well as those ready to push their limits.

Gentle Yoga: is designed to reduce tension caused by everyday stress. We will begin by stretching the large postural muscles of the body and then move into the gentle, classic yoga postures. This class is a slow-moving flow and stretch designed to release tight joints and muscles from the participants' week and build strength and balance. And at the same time, renewing their energy!

GRIT: Whether Strength, Cardio or Plyo, this class is a 30-minute high-intensity interval training (HIIT) workout, designed to improve strength, cardio and build lean muscle and power. This workout uses a barbell, weight plate and body weight exercises to blast all major muscle groups. Les Mills GRIT takes cutting edge HIIT and combines it with powerful music and inspirational coaches.

HIIT IT!: A new class for all levels of participants! This class will consist of intervals or stations which will alternate between cardio and strength training one minute, and core & bodyweight exercises the next. A sports-inspired class, you'll be amazed at how hard you can work and the results you'll gain by alternating your levels of intensity & the variety the instructors have to offer!

Holy Yoga: is an experiential worship created to deepen people's connection to Christ. The sole purpose is to facilitate a Christ-honoring experience that offers an opportunity to believers and non-believers alike to authentically connect to God through His Word, worship, and wellness.

KardioBell: The science supports the effectiveness of kettlebell training and its use for all ages. According to an ACE study, one can burn up to 20 calories a minute while training with a kettlebell by combining cardio, core & resistance training.

Les Mill Core: Ground-breaking scientific research means Les Mills CXWORX™ core workout features the most efficient exercises for maximum effectiveness ... 30 minutes is all you need! Your workout consists of exercises that both isolate and integrate various core muscle groups.

LES MILLS SPRINT™ is a 30-minute High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. It's a short, intense style of training where the thrill and motivation comes from pushing your physical and mental limits.

N10C : Tread and Shed meets Group Strength Training for one INTENSE cardio cross training circuit style class. Come prepared to sweat, it's not for the faint of heart. This class meets on the cardio deck and you can choose which piece of equipment you would like to work with that day.

PiYo is a music driven, low impact, high intensity body transforming program that incorporates dynamic, athletic movements with strengthening and stretching Yoga poses. Yoga mat required.

Primetimers: This series of classes are designed for seniors, however anyone may attend. Each class lasts 30 minutes and is combined of chair and standing exercises for better balance, flexibility and mobility.

RPM™ is the indoor cycling workout where you ride to the rhythm of powerful music & bring the outdoors inside. Take on the terrain with your inspiring team coach who leads the pack through hills, flats, mountain peaks, time trials, and interval training in 50 minute class format.

Slow Flow & Stretch/Detox: yoga will offer slow flowing yoga sequences, with options to build strength and stamina; ending with stretches to relax the mind and muscles for a well-rounded practice.

Zumba: Perfect for everybody and everybody! Each Zumba® class is designed to bring people together to sweat it on. We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party once the Latin and World rhythms take over!

Yogalates: A combination of Yoga postures and Pilates core strengthening exercises. Benefits include better flexibility muscular strength and relaxation.
