June 27-July 1 - Lab Rats - BOOM. BANG. SLIIIIIME! Use your knowledge of science to create hypothesizes of what will happen this week! Will it explode? Will it freeze? Will it disappear? Who knows, but there's only one way to find out and that's to be a mad scientist with us all week long!

July 5-8 - Party in the USA!! - Celebrate all you love about the USA. Go all out in your red, white and blue gear while we party all week. We will celebrate with lots of patriotic activities and an all-camp barbecue lunch on Friday.

This is "ABC's Wide World of Sports!" With a new (and maybe not so popular) sport offered each day, kids can become the expert different types of games. Participating in multiple games

August 1-5 - Swinter - Do you want to build a snowman? We'll sure try as we celebrate winter in the summer! Campers will make snow cream, build ice sculptures, make snow, and have a snowball fight and so much more.

August 8-12 - Art Explosion - Express yourself!! Kids will explore art through a new lens and create their own masterpieces inspired by the nature around us and from around the world.
