RPM™ is a 50 minute group indoor cycling workout where you control the intensity. It's fun and low impact! With great music pumping and the group spinning as one, your instructor takes you on a journey of hill climbs, sprints and flat riding. In an RPM workout you repeatedly spin the pedals to reach your cardio peak then ease back down, keeping pace with the pack to lift your personal performance and boost your cardio fitness. You control your own resistance levels and speed so you can build up your fitness level over time. It's a journey, not a race!

THE TRIP™ is a fully immersive workout experience that combines a 45-minute multi-peak cycling workout with a journey through digitally-created worlds. Feel like you're riding a roller coaster or you're in a video game with its cinema-scale screen and sound system, THE TRIP takes motivation and energy output to the next level, burning serious calories. ***Disclaimer: if you get motion sickness or have epilepsy please observe class before riding on a bike to decide if it's right for you.***

LES MILLS SPRINT™ is a 30-minute High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. It's a short, intense style of training where the thrill and motivation comes from pushing your physical and mental limits. A high intensity, low impact workout, it's scientifically proven to return rapid results. The 30 minutes you put into a LES MILLS SPRINT workout drives your body to burn calories for hours. You combine bursts of intensity, where you work as hard as possible, with periods of rest that prepare you for the next effort. The payoff? You smash your fitness goals fast.

Spintense! We've put your two favorite classes together for a major endurance workout! You'll not only work your endurance and speed on the stationary bikes, but hop off and use your land legs for various strength exercises with weights, bands and your own bodyweight for this interval style class.

Aqua Zumba: Those looking to make a splash by adding a low-impact, high-energy aquatic exercise to their fitness routine. Aqua Zumba® blends the Zumba® philosophy with water resistance, for one pool party you shouldn't miss! There is less impact on your joints during an Aqua Zumba® class so you can really let loose. Water creates natural resistance, which means every step is more challenging and helps tone your muscles.

Water Aerobics: Our Water Aerobics classes help build cardiovascular fitness and strength in a low-impact fun filled format that is suitable for every age and fitness level! Each class includes a warm-up, cardio and strength training exercises with pool weights and noodles, using core engagement and a cool down. Your instructor will lead you through a series of moves set to music. Don't forget the most important objective is for you to have fun!

WaterFit/Water Walking: WaterFit/Water Walking is much like water aerobics, but participants move back and forth from edge of pool to middle of lap lanes using the water's resistance for a low impact workout. There are not many choreographed movements, just walking in lines, circles and against current to strengthen and tone muscles.

Water Tai Chi: Water Thai Chi is a gentle stretching class in the water where we work on our balance, breath and moving with the flow of the water. A relaxation class for all levels of fitness. The water helps with balance, so you relax, move, and stretch. Gentle movements but an amazing class!

Water Yoga: Water Yoga is a low-impact aquatics exercise, performing yoga poses in the water. These poses help you develop strength, static balance, and increase range of motion with little to no impact on joints, especially knees, hips, and ankles. No Yoga experience is necessary.

Please do not enter the pool prior to your class's scheduled time. NC state law requires you to shower prior to entering the pool. Also, make sure your sunscreen has dried completely before entering the water to help keep the water's integrity and clarity. Be sure to bring your pool noodle, towel, and water to class!
