Volleyball Coed Rules

The purpose of this league is to provide the community with a fun place to play volleyball! The league welcomes all skill levels and we ask that all participants are welcoming, accepting and courteous towards all players. It is our hope to increase volleyball participation in town so we can continue to offer volleyball opportunities.

Play will be co-Ed. Net height will be men's height (8').

Each team must have at least one woman on the floor to play. You need at least 2 women to play with 6 total people. If you only have one woman, you can play with 5 total people.

Teams consist of 6 players but may start with a minimum of 4 players. A team with less than four players will "forfeit" the win but can play an "unofficial game".

First serve/side will be determined by rock, paper, scissors at the start of the match, and if needed at the start of the deciding set.

Teams will switch serve and sides after each set. League Games will be best 2 of 3 games, rally score to 25, win by two, cap at 30. 3rd set to 15, win by two, cap at 20. Seeding for the Championship will be based on the number of matches won. **if 25 is too much for time purposes we will all agree to switch to 21, cap at 25**

Tournament games will be best 2 of 3, rally score to 25, win by two, cap at 30. 3rd set to 15, win by two, no cap. There are no subs allowed in the tournament- teams must play with original rosters. Everyone needs to rotate for tournament games.

Games will be self officiated. Any disagreements result in a replay. Rules will follow NC high school volleyball rules.

**If someone offers to referee, it needs to be a neutral person not associated with either team. Also, both captains need to agree on the referee. **

Spectators and children need to be seated behind the fence and children need to be supervised by an adult at all times.

Tell your captain if you need a sub, captain emails kpoe22@gmail.com. Subs will need to pay the 15\$ guest fee for the night.
